FORTE KOUP

# DIAL IT UP.

Cast your sights on the 2017 Kia Forte Koup and it's sure to make an instant impression. That's thanks to its expressive styling, with sweeping lines that emphasize Koup's sleek and sporty personality. You can dial up both the look and performance even further with the Koup SX – it runs on turbo power and makes a show of itself with 18-inch machine-finished alloy wheels. A ride this good deserves a soundtrack this dynamic with Android Auto<sup>®4,6</sup> smartphone integration opening up your favourite playlists. A compact coupe with as much attitude as its owner – the 2017 Kia Forte Koup.

## DRIVEN TO PERFORM

The Koup SX styling suggests performance. The technology confirms it, with an available 201-horsepower, 1.6-litre twin-scroll turbocharged engine and a sport-tuned suspension. It can be mated with a new 7-speed dual-clutch transmission.

## ANDROID AUTO<sup>®4,6</sup>

Google and Forte Koup are made for each other, with a Google-themed environment in the available Android Auto<sup>®</sup> smartphone integration system. That's on top of other Google favourites like access to Google Play Music, Google Maps and Google Hangouts messaging. Want more? Visit the Google Play Store to download other great apps and tools to use with your Forte Koup.

## PADDLE SHIFTERS

The sporty paddle shifters on the steering column allow you to select gears without taking your hands off of the steering wheel. Standard on all Forte Koup SX models.
