1. Please note that your vehicle may not be equipped with all features described. This also applies to safety-related systems and functions. None of the features we describe are intended to replace the driver's responsibilities to exercise due care while driving and are not a substitute for safe driving practices. Features may have technological limitations. For additional information regarding the various features, including their limitations and restrictions, please refer to your vehicle's Owner's Manual. 2. Compatible smartphones required. Data rates may apply. Please check with your wireless service provider. For wireless charging, certain smartphones may require a wireless charging-capable case. 3. When equipped with the navigation system, French voice commands may be limited.
