KP-SA-EV-B2C-0624-R1E

With Service Advantage/ EV, you can forget about the hassle of vehicle maintenance, save money and enjoy the peak performance of your Kia.

All you have to do is choose the number of services to include in your plan and use them as you need. Kia Certified Technicians carry out all maintenance, from charging system checks to front and rear brakes services, so you know your Kia is in expert hands.

Service Advantage/ EV benefits

Cost savings

Paying upfront for services means you save on the total cost of vehicle maintenance, thanks to locked-in rates and protection against inflation.

Flexible coverage

Tailor your plan to suit your budget, preferences and driving habits, and use your prepaid services according to your needs.

Kia Canada expertise

Kia Certified Technicians perform services using the latest diagnostic tools and Kia Genuine Parts. Plus, your services can be used at any Kia dealership in Canada.

Maximized vehicle longevity

Regular services maximize the lifespan of your vehicle and ensure any issues are identified early and resolved quickly.

Increased resale value

Regular maintenance from Kia Certified Technicians preserves your factory warranty and can increase your vehicle's resale value.

Transferable coverage

If you sell your Kia, your maintenance plan is transferable to the next owner.

Keep your electric vehicle well-tuned with our comprehensive maintenance plan that includes the following services*:

- Multipoint vehicle inspection
- Charging system check
- Brakes service
- Wheel alignment check
- Climate control air filter replacement
- Tire rotation
- And more.
